Who We Are

PAA\VO-Q-SET is an independent specialist Awarding Organisation recognised and regulated by UK Qualification Regulators.

What We Do

- PAA\VO-Q-SET offer over 100 unique and specialised nationally recognised qualifications along with customised awards to meet individual customer needs.
- We work closely with employers, colleges and training providers to ensure that the qualification provision is responsive, flexible, rigorous and quality assured.
- Our professional and experienced team provide ongoing support to our network of Centres.
- We work with more than 200 Centres based throughout the UK and internationally.
- Our qualifications are either developed from or related to National Occupational Standards for specific industries so that they meet the real needs of learners and employers.

We offer specialised vocational qualifications to a wide range of sectors including:

- Chemical, Pharmaceutical and Petro-Chemical
- Downstream and Hydrocarbons
- Engineering
- Extractives
- Fibreboard and Paper Manufacture
- Glazed Ceramics Manufacture
- Laundry and Dry Cleaning
- Meteorology
- Nuclear
- Polymers and Composites
- Process Manufacturing
- Signmaking
- Water Treatment

We also offer all sector qualifications such as:

- Business Improvement
- Laboratory Operations and Science
- Learning and Development
- Transportation and Driving Goods Vehicles
- Warehousing and Storage

Why choose Vocational Qualifications?

Benefits PAA\VO-Q-SET Approved Centres have found from using vocational qualifications include:

- Improvements in Health and Safety
- Increased productivity
- Financial benefits
- Improved performance
- Increased employee satisfaction and motivation

For full and up to date details of all the qualifications available from PAA\VO-Q-SET, along with information on how to become an Approved Centre, please visit our website: www.paa-uk.org

Why Choose To Work With PAA\VO-SET?

Responsive

PAA\VO-SET offer a personal approach to centres from an initial enquiry to guiding them through the approval process and then providing ongoing support as an Approved Centre. We also provide support and information to centres through our regular E-Bulletins and via our website.

Flexible

We offer a wide range of specialised vocational qualifications and also accredit in-house training programmes, but if we don't currently offer a qualification you are interested in please contact us as we are always ready for a new challenge!

Professional

Centres are encouraged to contact PAA\VO-SET's Head Office and our team of qualified External Verifiers, who are knowledgeable and experienced industry experts, for advice and support. We are ISO 9001:2008 accredited to ensure that we operate effective and efficient administration systems.

Supportive

PAA\VO-SET organise events, including Best Practice workshops and a National Conference, to enable centres to discuss issues and share best practice ideas. We also believe it is important to celebrate the successes of our Centres and Learners and promote these through our Newsletter and on our website.

Looking For Something Different?

PAA\VO-SET also offer a tailored approach to meet the specific needs of individual employers through our customised qualifications. Through working in partnership and listening to the needs of businesses we can support organisations through the development and accreditation processes.

Organisations PAA\VO-SET work with include:

BASF, Essar Oil (UK), GlaxoSmithKline, Ineos, Johnsons, Met Office, Novartis Vaccines, Smurfit Kappa, Tarmac, Tata Chemicals Europe, The Royal Navy, The Royal School of Military Engineering, Total Petrochemicals, United Utilities, Warwick Chemicals.

What PAA\VO-SET's Customers Think

"excellent customer service and focus"

"their standards were high and with the support it was made really easy!"

"I would like to thank PAA\VO-SET for their support and expertise over the years"
