

Achieve A1 With a step- by-step Workbook

A1 Achievement Workbook

The first step to the AI - Assessor Award

The workbook, developed by PAA\VQ-SET, provides comprehensive guidance on achieving the qualification using a variety of activities. It is divided into easy to complete stages and identifies the people involved in the process, how the Assessor Candidate should proceed and the evidence needed to show competence.

The Assessor Candidate is guided on how to develop plans for assessing competence and judging evidence, to providing feedback and contributing to internal quality assurance; the four cornerstones of an assessment process.

It features:

- Easy to complete sections with structured activities
- A comprehensive library of forms
- Simple, clear explanations
- Checklists
- A comprehensive guide to referencing evidence
- An efficient and fast-track approach to evidence collection.
