

QCF Migration Timetable - Nuclear

PAAVQ-SET is working closely with organisations, such as Sector Skills Councils and Standard Setting Bodies, to review and increase our current qualification portfolio for the Qualifications and Credit Framework (QCF). In the majority of cases there will be qualifications to replace the existing NVQs and the increased flexibility of the QCF will enable smaller qualifications to be developed to support smaller steps of learning. The QCF Migration Timetable below is subject to change so for the latest information and qualification updates visit our website www.paa-uk.org or contact us on 01543 254223.
